It's a kind of magic... it's a kind of magic... a kind of magic...

One [A] dream, one soul, one [B7] prize, one goal
 One [D] golden glance, of [A] what should be (♩ *it's a kind of magic*)
 One [A] shaft of light, that [B7] shows the way
 No [D] mortal man can [A] win this day (*it's a kind of magic*)

[A] The bell that rings [B7] inside your mind
 Is [D] challenging the [A] doors of time (*it's a kind of magic*)
 The [F#m] waiting seems [D] eternity
 The [F#m] day will dawn of [E] sanity (*ooo ooo ooh*)

Is [D] this (*is this*) a kind (*a kind*) of [A] magic? (*it's a kind of magic*)
 There [D] can be only [A] one
 This [E] rage that [G] lasts a [D] thousand years
 Will soon be [E] gone!

This [A] flame that burns [B7] inside of me
 I'm [D] hearing secret [A] harmonies (*it's a kind of magic*)
 The [A] bell that rings [B7] inside your mind
 Is [D] challenging the [A] doors of time
