

Walk right back

The Everly Brothers

I [D] want you to tell me why you walked out on me
I'm so lonesome every [A] day
I want you to know that since you walked out on me
[A7] Nothing seems to be the same old [D] way

[D] Think about the love that burns within my heart for you
The good [D7] times we had before you went [G] away, [F#] oh [E7] me
[G] Walk right back to me this minute
[D] Bring your love to me, please don't send it
[A] I'm so lonesome every [D] day

These [D] eyes of mine that gave you loving glances once before
Changed to shades of cloudy [A] gray
[A] Want so very much to see you just like before
[A7] Gotta know you're coming back to [D] stay

[D] Please believe me when I say it's great to hear from you
But there's a lot of things a letter just can't [G] say, [F#] oh [E7] me
[G] Walk right back to me this minute
[D] Bring your love to me, please don't send it
[A] I'm so lonesome every [D] day
[A] I'm so lonesome every [D] day
