[Am] When you came [E7] in the air went [Am] out
and every [E7] shadow... filled [Am] up with doubt
[Dm] I don't know who you [Am] think you are
but [E7] before the night is [Am] through
I wanna [E7] do bad things with [Am] you

[Am] I'm the kind to [E7] sit up in his [Am] room
Heart sick and [E7] eyes filled [Am] up with blue
[Dm] I don't know what you've [Am] done to me
but I [E7] know this much is [Am] true
I wanna [E7] do bad things with [Am] you
