[Em] When you came [B7] in the air went [Em] out
and every [B7] shadow... filled [Em] up with doubt
[Am] I don't know who you [Em] think you are
but [B7] before the night is [Em] through
I wanna [B7] do bad things with [Em] you

[Em] I'm the kind to [B7] sit up in his [Em] room
Heart sick and [B7] eyes filled [Em] up with blue
[Am] I don't know what you've [Em] done to me
but I [B7] know this much is [Em] true
I wanna [B7] do bad things with [Em] you
Okay
